

Flood Record

Feb 1894

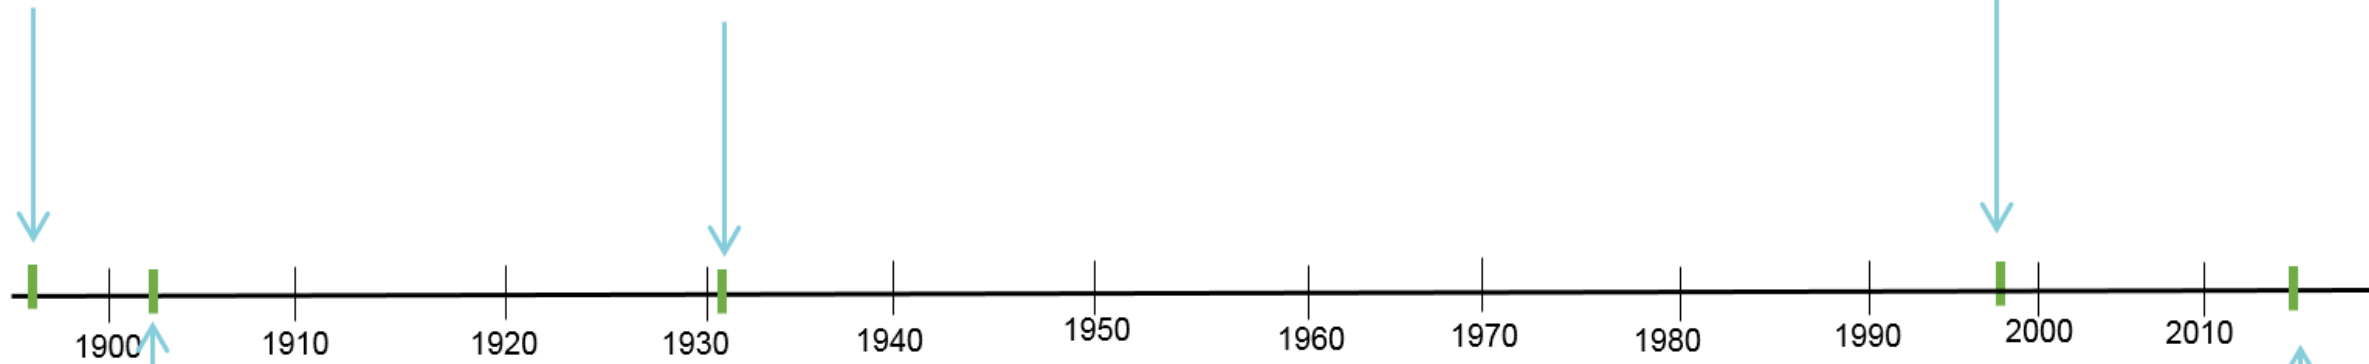

Regional level. 'Bigger Water has not been seen so heavy for last forty years.'

July 1931

'Flood of June 14th and 15th' within the Broughton area.

Aug 1998

Main Street in Broughton flooded from the Broughton Burn. Muir Bridge partly collapsed.

Oct 1903

Regional level flooding. Fields flooded at Broughton and Stobo.

Jan 2014

A breach in the flood embankment on the River Tweed led to large areas of road in Merlindale to be inundated by water. Construction works took place to combat the breach and stop the river changing flow path towards the housing.
